Municipalities have an important role to keep the lights on in our homes while at the same time ensure that we can go out and enjoy nature. However, while preparing energy efficiency programs, municipalities are often faced with a range of obstacles both in the preparation and in the implementation of these programs such as lack of financial, human capacities, political will and similar. During this roundtable discussion we will dive into the difficulties of preparing and implementing such policies and we will look for the best ways and exchange best practices to keep our lights on.
ELF underlines the achievements of Lord Dahrendorf with a series of exceptional events connected to his name. Lord Dahrendorf was an ardent supporter of a stronger Europe, consistently promoting the role of the EU as a guarantor of human rights and liberty during his time as a member of the Bundestag, as European Commissioner, Peer of the British House of Lords and Chairman of the Board of the Friedrich Naumann Foundation.
